

# You're Invited to the Tuesday Morning Experience!

Confidence doesn't come from reading a book or watching a video.

It comes from showing up — in a space where it's safe to practice, stumble, and try again.

Every Tuesday morning, people from all walks of life gather to do just that.

High schoolers, executives, entrepreneurs, and retirees — all working toward one goal: **to speak up with confidence and authenticity.**

This is a community that cheers you on, lifts you up, and helps you find your voice.

## Find Your Voice: Confidence Through Connection

**Every voice has power, including yours.**

Come experience our judgment-free space where people from all ages and experiences experiment with confidence, take small risks, and celebrate small wins. Because when you find your voice, **everything changes.**
